Bengaluru - 560107

2019-20

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Physical, academic and support facilities are adequate in the campus. Academic facilities in the institute are regularly maintained to make sure that they are of greatest benefit to the students, teaching and non-teaching staff. Various committees (Library, Sports, cultural, women welfare, staff development, etc) are formed, in which the faculty members and students were given the active role to ensure proper maintenance and upkeep. The committees meet regularly to monitor the optimum use of infrastructure which is accessible to the students and staff of the college. Suitable budget is allocated every year for the maintenance of various facilities.

Theory and laboratory classes would take place in classrooms and laboratory respectively. Classrooms are equipped with ICT tools (LCD projector, whiteboard, speakers, chalk board, etc) to ensure usage of new audiovisual pedagogical techniques to impart the education. The college has a Technical Assistant and Lab Assistants and Lab Attendants to ensure proper upkeep of the various labs including computer center. Various value added program such as communication skills, soft skills, etc are regularly conducted. This inter-disciplinary approach has paved way for students in acquiring additional skills to meet the global demand.

The campus is having a central library system with greatest infrastructure for advanced studies, and it opens for 12hours in a day. College also is build with a separate well equipped library having good collection of books, periodicals, journals etc., and is open even after class hours. In addition, there is a separate computer room has been set up in the college for the students and faculty. Sufficient numbers of computers with internet facility and large spaces have been set up for reading and research. A regular update on new additions is provided by the library. A library committee works regularly to enable the students to get maximum exposure and participation.

The college offers common room for girls and lady staff members. Campus has very good facilities such as cafeteria and gymnasium. A dispensary with a full time physician is available in the campus for first aid. There two auditoriums in the campus for conduction of cultural activity, seminars, workshop and college fest. Sport stadium with seating facility of thousands has been built in the campus, where several sport training activity will regularly take place. Sports and Games is an internal part of the college and physical trainers are available for volleyball, foot ball, cricket and other sport activity. An eco-friendly environment with plentiful numbers of trees and garden is maintained to build a green campus. Housekeeping department develop a system for garbage collection and segregation in the campus. Institution is added with separate hostels for girls and boys. Hostel is equipped with kitchen, dining hall and other facilities to provide the comfortable stay.
